

End of Sale for Legacy AS Transactional Services (Phase 3)

Cisco Systems© announces the migration and the end-of-sale and end-of life dates of our Legacy AS Transactional Services. The last day to order these affected services is 2/28/2020. Customers with active service contracts will continue to receive support until the termination date of their contract. Table 1 describes the end-of-life milestones, definitions, and dates for the affected services.

Table 1. End-of-Life milestones, definitions, and dates

| Milestone | Definition | Date |
|--|--|--|
| Internal End-of-Sale Announcement Date | The date that the document announcing the end-of-life and end-of-sale is made available to Cisco internal | 7/18/2019 |
| External End-of-Sale Announcement Date | The date that the document announcing the end-of-life and end-of-sale is made available to the general public | 9/1/2019 |
| Last Day to Quote | This is the last day a Quote can be given to a Customer or Partner | 12/30/2019 |
| End-of-Sale date | This is the last date to order the affected service using Cisco point-of-sale mechanisms. The service is no longer for sale after this date. | 2/28/2020 |
| End of new service attachment date | This is the last-date to order a new contract or add equipment and/or software to an existing contract for the affected service. | 2/28/2020 |
| End of service contract renewal date | This is the last date to extend or renew an existing service contract for affected service. | 2/28/2020 |
| Last Date of Support | The last-possible date to receive support for covered services, after which the service becomes obsolete and End of Life. | Expiration date of existing active contract. |

Service Migration Options

Where applicable, customers are encouraged to purchase the corresponding replacement service that is available now. These offers provide similar deliverables as the offers they are replacing. Customers are encouraged to work with their sales representative to identify a replacement service. See table below for Legacy and Replacement SKUs:
