

## End-of-Sale and End-of-Life Announcement for Cisco Metacloud

Cisco announces the end-of-sale and end-of-life dates for Cisco Metacloud. The last day for new customers to place new orders of the affected product(s) is November 7, 2017. Customers with active subscriptions will be able to order or renew subscriptions and continue to receive support from Cisco Metacloud Operations as per Table 1 of the EoL bulletin below. Table 1 describes the end-of-life milestones, definitions and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid subscriptions, support, including changes to subscription commits and usage, will be available under the terms and conditions of the customers' contract.

**Table 1.** End-of-Life Milestones and Dates for Cisco Metacloud

Milestone	Definition	Date
<b>End-of-life Announcement Date:</b>	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	November 7, 2017
<b>End-of-Sale Date for existing customers:</b>	The last date to order a new product subscription through Cisco point-of-sale mechanisms for customers that have a valid and paid subscription. The product is no longer for sale after this date.	May 1, 2018
<b>End of Service Contract Renewal Date:</b>	The last date to extend or renew an existing Cisco Metacloud subscription.	November 7, 2018
<b>End of Service Maintenance and Support Date:</b>	The last date that Cisco Metacloud will support and may release any final software maintenance releases or bug fixes. After this date, Cisco Metacloud will no longer support, develop, repair, maintain, or test the product software.	November 10, 2019
