

## Network Optimization Services Combined (NOSC) End-of-Life Announcement

Cisco Systems© announces the end-of-life dates for Cisco Network Optimization Services Combined (NOSC, NOS-C, SKU-NOS, SKU based O&O, O&O NOSC or O&O/NOSC). On July 25, 2015, NOSC will reach end of life and will no longer be renewable. Existing Cisco NOSC services contracts will be honored until the end of the contract term. However, at the time of renewal, the service contracts should be transitioned to Cisco Combined Services. Table 1 describes the end-of-life milestones, definitions, and dates for the affected service

**Table 1.** End-of-Life milestones, definitions, and dates

Milestone	Definition	Date
End-of-sale announcement date	The date that the document announcing the end of sale was made available to the general public.	July 28, 2012
End-of-life date	The last date to renew NOSC in Cisco point-of-sale mechanisms. After this date, the service is no longer renewable.	July 25, 2015
Transition period	There is no transition period	July 25, 2015
Last date of support	The last date to receive support for covered products. After this date, no support under Cisco® Network Optimization Services Combined is available, and the service becomes obsolete.	Expiration date of existing active contracts
