

Service Description

Cisco RMA Only Service

This Service Description is part of the Services Agreement (as defined in the [Services Guide](#)) and describes various Services that Cisco will provide to You. Capitalized terms, unless defined in this document, have the meaning in the Services Guide

1. Summary

This Service provides an optional add-on hardware replacement service for existing Cisco customers with active subscription licenses that include technical support services.

Where available, Cisco will provide Advance Replacement for eligible Hardware. The RMA Only option provides full unit replacement and optional onsite resources. This Service does not entitle You to receive any additional service delivery elements, which are delivered by the required TAC entitled subscription. The RMA Only Service option is only available for purchase where You have an existing subscription is in place.

2. Cisco Responsibilities

- Cisco will provide the various deliverables described below as selected and detailed on the PO for which Cisco has been paid the appropriate fee.
- Advanced hardware parts replacement, with onsite services as additional options availability varies by location, subject to geographic and weight restrictions depending upon Your location.
- You may check availability by accessing Cisco's Service Availability Matrix at: <http://tools.cisco.com/apidc/sam/search.do>.
- Heavy Weighted & Over Sized Parts: https://www.cisco.com/c/dam/en_us/about/doing_business/legal/service_descriptions/docs/service-availability-heavyweight-oversized-product.pdf
- Please note that destination country importation, compliance with US export controls and customs processes may condition actual delivery times. Advance Replacement to and from the European Union will be shipped Delivered Duty Paid (DDP) (Incoterms 2010). All other Advance Replacement will be shipped Delivered At Place (DAP) (Incoterms 2010), exclusive of any import duties, taxes and fees, where applicable. All Advance Replacement will be shipped using Cisco's preferred carrier, freight prepaid by Cisco. Requests for alternate carriers will be at Your expense. Chassis and line card Advance Replacement Service must be at the same level of coverage. Cisco will provide You with Advance Replacement(s) that are either new or equivalent to new.

- Cisco will use commercially reasonable efforts to provide Customer with Hardware replacement services where available.
