MODIFICATION NO.: 6	DELIVERY: As Needed
RENEWAL OPTION THRU: 2025	RFP / IFB NO.: UK-1704-17
COMMODITY/SERVICES: Networking Products & Services	DATE: 11/6/2024

The modification(s) indicated below are to be incorporated as a part of the above referenced Price Agreement. All other terms and conditions remain in effect.

### DESCRIPTION

This modification is to renew the price contract for an additional one (1) year from November 12, 2024 through November 11, 2025 and adds King's Daughter's Hospitals and St. Claire Healthcare as servicing locations.

The University of Kentucky is authorized to add King's Daughters Medical Center (KDMC) to any contract. As of December 1, 2022, King's Daughters Medical Center based in Ashland Kentucky officially became part of the University of Kentucky. King's Daughters Medical Center serves a 16-county region across Kentucky, Ohio, and West Virginia. Its health system is comprised of two acute-care hospitals totaling 465 licensed beds, more than 50 ambulatory centers and practice locations, a long-term care facility, medical transport company, and six urgent care centers. If KDMC would use this contract a scope of work would be attained at that time.

The University of Kentucky Board of Trustees on Friday April 26, 2024 approved plans to proceed with the acquisition of St. Claire HealthCare in Morehead. The move for St. Claire to become part of UK will expand clinical and academic programs as well as result in greater access to high-quality patient care for more Kentuckians. St. Claire can continue its 60-year tradition of serving Northeastern Kentucky for decades to come, operating under the name UK St. Claire. St. Claire HealthCare is one of the largest employers in the region, with over 1,200 staff members, including a growing medical staff of more than 125 physicians and nearly 70 advanced practice professionals representing more than 30 medical specialties. It includes the largest rural hospital in Northeastern Kentucky, seven primary care locations located within five counties, a multi-specialty medical pavilion, two urgent care centers, a pediatrics clinic, as well as a retail pharmacy, counseling center, medical equipment and supply store, and an outpatient center. Additionally, St. Claire HealthCare provides home health and hospice services in eight counties within its 11-county service region.

All prices, terms and conditions remain the same.
