Overview

EOL11776 - Amended

Cisco announces the end-of-sale and end-of-life dates for the Cisco FirePOWER 8100 Series Appliances. The last day to order the affected product(s) is December 15, 2017. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

End-of-life milestones

Table 1. End-of-Life Milestones and Dates for the Cisco FirePOWER 8100 Series Appliances

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	June 16, 2017
End-of-Sale Date: HW, License	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	December 15, 2017
Last Ship Date: HW, License	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	March 15, 2018
End of Routine Failure Analysis Date: HW	The last-possible date a routine failure analysis may be performed to determine the cause of hardware product failure or defect.	December 15, 2018
End of New Service Attachment Date: HW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	December 15, 2018
End of Service Contract Renewal Date: HW	The last date to extend or renew a service contract for the product.	March 12, 2022
End of Signature Release Date: License	The date after which there will be no more signature update release for Cisco FirePOWER 8100 products going end-of-life.	December 31, 2022
Last Date of Support: HW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	December 31, 2022

HW = Hardware

OS SW = Operating System Software

App. SW = Application Software

Product migration options

Customers are encouraged to migrate to the Cisco Firepower 4100 NGIPS Series Appliances and appropriate subscriptions for new purchases. Information about this product can be found at: <https://www.cisco.com/c/en/us/products/security/firepower-4100-series/index.html> One year (1YR) and three year (3YR) subscriptions will remain available for renewals for existing 8100 Series deployments beyond the appliance End-of-Sale period.

Customers may be able to continue to purchase the Cisco FirePOWER 8100 Series Appliances through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to: <https://www.cisco.com/go/eos>.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to: https://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
