Overview

EOL15147

Cisco announces the end-of-sale and end-of-life dates for Cisco SecureX

Cisco SecureX is provided as part of entitlements to Cisco Secure products. As of the date of this announcement, a Cisco SecureX entitlement is no longer provided alongside Cisco Secure product purchases.

Customers with active Cisco SecureX environments will continue to receive support from the Cisco Technical Assistance Center (TAC) through the product end-of-support and end-of-life date of July 31, 2024, as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s).

Cisco SecureX cannot be provisioned for a customer after the date of this announcement.

Once Cisco SecureX reaches end-of-life, Cisco SecureX environments will be disabled and all capabilities will become unavailable, including but not limited to: dashboard integrations, responsive integrations, threat hunting integrations, threat intelligence integrations, and custom integrations.

End-of-life milestones

Table 1. End-of-life milestones and dates for Cisco SecureX

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end of support and end of life of a product is distributed to the general public.	August 11, 2023
Last Date of Support**: Subscription	The last date to receive applicable subscription entitlements, service and support for the product as entitled by active subscriptions and service contracts (as applicable) or by warranty terms and conditions. After this date, all subscription and support services for the product are unavailable, and the product becomes obsolete.	July 31, 2024

HW = Hardware OS SW = Operating System Software App. SW = Application Software
