End-of-Sale and End-of-Life Announcement for the Cisco UCS Invicta Series

EOL10505

Cisco announces the end-of-sale and end-of-life dates for the Cisco UCS Invicta Series. The last day to order the affected product(s) is July 24, 2015. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

Table 1.   End-of-Life Milestones and Dates for the Cisco UCS Invicta Series

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	July 24, 2015
End-of-Sale Date	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	July 24, 2015
Last Ship Date: **HW**	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	July 24, 2015
End of SW Maintenance Releases Date: **HW**	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	July 23, 2016
End of Routine Failure Analysis Date: **HW**	The last-possible date a routine failure analysis may be performed to determine the cause of hardware product failure or defect.	July 23, 2016
End of New Service Attachment Date: **HW**	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	July 23, 2016
End of Service Contract Renewal Date: **HW**	The last date to extend or renew a service contract for the product.	October 19, 2019
Last Date of Support: **HW**	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	July 31, 2020

HW = Hardware   OS SW = Operating System Software   App. SW = Application Software

Product Migration Options

There is no Cisco replacement available for the Cisco UCS Invicta Series at this time.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses dispose properly of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:
http://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
