Overview

EOL15048

Cisco announces a change in product part numbers for the Cisco Unified Fabric License. This is a product part number change only announcement. Customers will experience no change in functionality when using the new product part numbers. The new product part numbers are designed to simplify the customer ordering process. The last day to order the affected product using the current product part numbers is July 27, 2023. Customers will continue to receive support from the Cisco Technical Assistance Center (TAC) until otherwise specified in the end-of-life announcement for the new product part numbers. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement.

Milestones

Table 1. Milestones and Dates for the Cisco Unified Fabric License

Milestone	Definition	Date
External Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	April 27, 2023
End-of-Sale Date : App SW	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	July 27, 2023

HW = Hardware OS SW = Operating System Software App. SW = Application Software

Product part numbers

Table 2. Product part numbers affected by this announcement

E3A-UFAB-SW-AD	Cisco Unified Fabric License	UCS-FI-6500-SW	Perpetual SW License for the 6500 series Fabric Interconnect	-

Product migration options

This is a product part number change only. Existing customers who have already purchased any term or EA licenses will get a free perpetual license upgrade. No action is required from the customer. The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:

https://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
