Overview

EOL14639

Cisco announces the end-of-sale Cisco 350X Series Stackable Managed Switches. The last day to order the affected product(s) is July 30, 2022. Customers will continue to receive phone support from the Cisco Small Business Support Center (SBSC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active product warranties, support will be available as stated in the product warranty terms and conditions.

End-of-life milestones

Table 1. End-of-life milestones and dates for the Cisco 350X Series Stackable Managed Switches

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	January 29, 2022
End-of-Sale Date: HW	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	July 30, 2022
End of Phone Support: HW	The last date to receive phone support as part of the product warranty. After this date, all phone support services for the product are available with additional charges or support fees. In some cases, support may not be available.	July 30, 2023
Last Ship Date: HW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	October 28, 2022
End of SW Maintenance Releases Date: HW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	July 30, 2023
Last Date of Support: HW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete**. Warranty duration is based on product ship dates; refer to warranty terms and conditions for details.	July 31, 2027

HW = Hardware OS SW = Operating System Software App. SW = Application Software

While Cisco is committed to the End-of-sale milestone, based on the inventory and supply status, Cisco may need to turn off the orderability for SKUs before the End-of-sale date. Cisco may also keep the orderability on after the End-of-sale date. Customers are encouraged to migrate to the replacement products as soon as possible for better availability and support.

Product part numbers
