## Cisco Webex Device Subscription

Cisco® Webex Device subscription provides registration of a Cisco Webex device to the Cisco Webex cloud or to Cisco on-premises infrastructure providing powerful collaboration solutions that bring more intelligence and usability to your meeting rooms. In addition it provides software upgrades for your Cisco Webex device ensuring the latest and most secure experience.

### Features and Benefits

When you choose the Cisco Webex Device Subscription you receive entitlement to a bundle of features and technical support. Table 1 describes the included features and the availability of each feature to users with a cloud versus an on-premises deployment model.

**Table 1.** Included Features

Included feature	Benefit	Deployment model available	
		Cloud	On-Premises
<a href="#"><u>Cloud device registration</u></a>	The cloud device registration provides the ability to register Cisco video devices purchased upfront as well as Hardware as a Service to the Cisco Webex cloud, with no need for on-premises infrastructure.	X	
<a href="#"><u>Cisco Unified Communications Manager</u></a>	Cisco Unified Communications Manager provides an enterprise-class IP telephony call-processing system. In addition to traditional telephony features, it provides advanced capabilities, such as video. Licenses for desktop video units are available for customers who have video endpoints.		X
<a href="#"><u>TelePresence Room</u></a>	TelePresence Room enables call control for room-based immersive and multipurpose Cisco TelePresence system endpoints.		X
<a href="#"><u>Cisco Expressway™ Series</u></a>	Cisco Expressway Series works as part of the Cisco Unified Communications Manager product family to provide access for mobile, desktop, and fixed clients. The application provides advanced multimodal firewall traversal and access services for secure voice, video, instant messaging and presence, directory, and visual voicemail outside your enterprise firewall without the need for a VPN. Includes desk phone and room registration licenses.		X

## Technical Support and Customer Success Services

Cisco offers support services covering the areas of problem resolution, customer success and adoption, and designated support management in three service tiers: Basic, Enhanced, and Premium. Basic support is included at no additional cost for the duration of your subscription. For more information about the available technical support services, contact your partner or Cisco sales agent.

## Ordering Information

To place an order, contact your local Cisco certified partner or Cisco sales agent. If you need help finding a partner in your area, use the [Cisco Partner Locator tool](#). Your partner or Cisco sales agent can also assist with any modifications to your subscription after your initial order is placed.

## Cisco Capital
