Cisco Limited 5-Year Hardware Warranty Terms

The following are special terms that apply to your Optical hardware during the warranty period. Your embedded software is subject to the Cisco General Terms (link available below) and/or any SEULA or specific Software warranty terms for additional software products loaded on the device.

Duration of Hardware Warranty

Five (5) Years

Replacement, Repair or Refund Procedure for Hardware: Cisco or its service center will use commercially reasonable efforts to ship a replacement part for delivery within fifteen (15) working days after receipt of the defective product at Cisco's site. Actual delivery times may vary depending on Customer location.

Limited Hardware Warranty

Hardware. Cisco Systems, Inc., or the Cisco Systems, Inc. subsidiary selling the Product ("Cisco") warrants that commencing from the date of shipment to Customer (and in case of resale by a Cisco reseller, commencing not more than ninety (90) days after original shipment by Cisco), and continuing for a period of the longer of (a) ninety (90) days or (b) as otherwise set forth in this document or provided at <https://cisco.com/go/warranty>, the Hardware will be free from defects in material and workmanship under normal use. The date of shipment of a Product by Cisco is set forth on the packaging material in which the Product is shipped. This limited warranty extends only to the original user of the Product. Customer's sole and exclusive remedy and the entire liability of Cisco and its suppliers under this limited warranty will be, at Cisco's or its service center's option, shipment of a replacement within the warranty period and according to the replacement process described in the warranty card (if any), or if no warranty card, as described on the Cisco Product Warranties web page <https://www.cisco.com/go/warranty> or a refund of the purchase price if the Hardware is returned to the party supplying it to Customer, freight and insurance prepaid. Cisco replacement parts used in Hardware replacement may be new or equivalent to new. Cisco's obligations hereunder are conditioned upon the return of affected Hardware in accordance with Cisco's or its service center's then-current Return Material Authorization (RMA) procedures.

Restrictions. This limited warranty does not apply if the Hardware (a) has been altered, except by Cisco or its authorized representative, (b) has not been installed, operated, repaired, or maintained in accordance with instructions supplied by Cisco, (c) has been subjected to abnormal physical or electrical stress, abnormal environmental conditions, misuse, negligence, or accident; or (d) is licensed for beta, evaluation, testing or demonstration purposes.

DISCLAIMER OF WARRANTY

EXCEPT AS SPECIFIED IN THIS LIMITED WARRANTY, ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS, AND WARRANTIES INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, SATISFACTORY QUALITY, NON-INTERFERENCE, ACCURACY OF INFORMATIONAL CONTENT, OR ARISING FROM A COURSE OF DEALING, LAW, USAGE, OR TRADE PRACTICE, ARE HEREBY EXCLUDED TO THE EXTENT ALLOWED BY APPLICABLE LAW AND ARE EXPRESSLY DISCLAIMED BY CISCO, ITS SUPPLIERS AND LICENSORS. TO THE EXTENT AN IMPLIED WARRANTY CANNOT BE EXCLUDED, SUCH WARRANTY IS LIMITED IN DURATION TO THE EXPRESS WARRANTY PERIOD. BECAUSE SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, THE ABOVE LIMITATION MAY NOT APPLY. THESE WARRANTIES GIVE CUSTOMER SPECIFIC LEGAL RIGHTS, AND CUSTOMER MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION. This disclaimer and exclusion shall apply even if the express warranty set forth above fails of its essential purpose.

Limitations and Exclusions of Liability. In no event will Cisco or its licensors be liable for the following, regardless of the theory of liability or whether arising out of the use or inability to use the Hardware or otherwise, even if a party been advised of the possibility of such damages: (a) indirect, incidental, exemplary, special or consequential damages; (b) loss or corruption of data or interrupted or loss of business; or (c) loss of revenue, profits, goodwill or anticipated sales or savings. All liability of Cisco, its affiliates, officers, directors, employees, agents, suppliers and licensors collectively, to Customer, whether based in warranty, contract, tort (including negligence), or otherwise, shall not exceed the license fees paid by Customer to any Approved Source for the Hardware that gave rise to the claim. This limitation of liability for Hardware is cumulative and not per incident. Nothing in this limited warranty limits or excludes any liability that cannot be limited or excluded under applicable law.

Duration of Software Access:

One (1) Years

Software: Cisco warrants that commencing from the date of shipment to Customer (but in case of resale by an authorized Cisco reseller, commencing not more than ninety (90) days after original shipment by Cisco), and continuing for a period of (1) years: (a) the media on which the Software is furnished will be free of defects in materials and workmanship under normal use; and (b) the Software substantially conforms to its published specifications.

In addition to your Warranty, in accordance with the latest Software Product Bulletin for Optical Products, Cisco will provide bug fixes and updates as specified in such Product Bulletin. Product Bulletins are subject to revision at Cisco's discretion and are not direct Warranty Entitlements.

Cisco reserves the right to refund the purchase price as its exclusive warranty remedy.

Limited Software Warranty and Disclaimer

- a. **Limited Warranty.** Cisco warrants that the Software will substantially conform to the applicable Documentation for the longer of (i) ninety (90) days following the date the Software is made available to You for your Use or (ii) as otherwise set forth at <https://www.cisco.com/go/warranty>. This warranty does not apply if the Software, Cisco product or any other equipment upon which the Software is authorized to be used: (i) has been altered, except by Cisco or its authorized representative, (ii) has not been installed, operated, repaired, or maintained in accordance with instructions supplied by Cisco, (iii) has been subjected to abnormal physical or electrical stress, abnormal environmental conditions, misuse, negligence, or accident; (iv) is licensed for beta, evaluation, testing or demonstration purposes or other circumstances for which the Approved Source does not receive a payment of a purchase price or license fee; or (v) has not been provided by an Approved Source. Cisco will use commercially reasonable efforts to deliver to You Software free from any viruses, programs, or programming devices designed to modify, delete, damage or disable the Software or Your data.
- b. **Exclusive Remedy.** At Cisco's option and expense, Cisco shall repair, replace, or cause the refund of the license fees paid for the non-conforming Software. This remedy is conditioned on You reporting the non-conformance in writing to Your Approved Source within the warranty period. The Approved Source may ask You to return the Software, the Cisco product, and/or Documentation as a condition of this remedy. This Section is Your exclusive remedy under the warranty.
- c. **Disclaimer.** Except as expressly set forth above, Cisco and its licensors provide Software "as is" and expressly disclaim all warranties, conditions or other terms, whether express, implied or statutory, including without limitation, warranties, conditions or other terms regarding merchantability, fitness for a particular purpose, design, condition, capacity, performance, title, and non-infringement. Cisco does not warrant that the Software will operate uninterrupted or error-free or that all errors will be corrected. In addition, Cisco does not warrant that the Software or any equipment, system or network on which the Software is used will be free of vulnerability to intrusion or attack.
- d. **Limitations and Exclusions of Liability.** In no event will Cisco or its licensors be liable for the following, regardless of the theory of liability or whether arising out of the use or inability to use the Software or otherwise, even if a party been advised of the possibility of such damages: (a) indirect, incidental, exemplary, special or consequential damages; (b) loss or corruption of data or interrupted or loss of business; or (c) loss of revenue, profits, goodwill or anticipated sales or savings. All liability of Cisco, its affiliates, officers, directors, employees, agents, suppliers and licensors collectively, to You, whether based in warranty, contract, tort (including negligence), or otherwise, shall not exceed the license fees paid by You to any Approved Source for the Software that gave rise to the claim.

This limitation of liability for Software is cumulative and not per incident. Nothing in this Agreement limits or excludes any liability that cannot be limited or excluded under applicable law.
