

Upgrade Cisco Network Insights for Resources

This chapter contains the following sections:

- [Upgrade Cisco NIR on Cisco Application Services Engine with Cisco APIC, on page 1](#)
- [Upgrade Paths for Cisco NIR Application, on page 1](#)

Upgrade Cisco NIR on Cisco Application Services Engine with Cisco APIC

This section contains the steps required to upgrade Cisco Network Insights for Resources application on the Cisco Application Services Engine with the Cisco APIC.

Before you begin

Before you begin upgrading a Cisco NIR application on the Cisco Application Services Engine with Cisco APIC, make sure the following requirements are met:

- You must have administrator credentials to upgrade Cisco NIR application.
- You **do not** remove the current Cisco NIR application on the Cisco Application Services Engine.

Step 1 Follow steps 1 to 5 from [Installing Cisco NIR on Cisco Application Services Engine with Cisco APIC](#).

Step 2 Once the **Status** is completed then click the **Apps** tab.

The Cisco NIR application upgrading progress dialog appears.

Step 3 Click **Open** from the Cisco NIR application dialog.

This upgrade procedure preserves the user data from the previous installation.

Upgrade Paths for Cisco NIR Application
